Intro

Verse 1

My sin, oh the wretchedness
Is dark and black as night
With justice served eternally
I'd be hidden from His sight

Pre-Chorus

Oh, but my Savior came
He's taken all my sin and shame
I have been given a brand new name
Praise God, Praise God

Chorus

I come to the altar, the victory's won
The price has been paid, by the blood of Your Son

I come to the altar, I've been set free
You conquered death, and rose again for me

I come to the altar, what can I do
It's all been done, by You

Forgiveness so undeserved
There is nothing I have done
To earn my place before the throne
Of the matchless, Holy One
